    Color Grade(s):   {Detail - Color}
    Proportions: {Detail - Proportions}
    Finish: {Detail - Finish}
    Comments: {Detail - Comments}

Pretty simple and straight to the point

However I group the melee together into groups so it is easier to control and it also helps if your computer programs calculates per carat value //prices from pricelists and other sources

By grouping them into the same sizes, shapes, cut and locations on the piece you are appraising
